

## **WAVD Webinar Series in Veterinary Dermatology**

- In keeping with its mission statement: promoting the worldwide advancement of veterinary dermatology, the WAVD is pleased to announce the release of a series of twenty-nine foundation level educational webinars which can be viewed free-of-charge at [wavd.org/continuing-education/webinars/](http://wavd.org/continuing-education/webinars/)
- Topics covered by leading experts in their fields include the clinical approach to dermatological cases, diagnostic techniques, allergic and infectious diseases of the skin and much, much more
- The webinars are aimed at
  - Veterinary students in their final year
  - General practitioners wishing to increase their knowledge of the discipline
  - Additionally, several contain important new information of value to those pursuing advanced studies in this subject

The WAVD is very grateful to the contributors for taking the time to share their knowledge and expertise with the global veterinary community
